DEAR STUDENTS!

On 22 – 24 April 2014 the Internet Students Competition 2014 will be held.

The first- and the second-year students are invited.

The Internet Students Competition 2014 aims to encourage the study of English, Physics, Mathematics, Chemistry and Computer Science.

There are 5 categories for participation:

- 1. English-Maths***
- 2. English-Physics***
- 3. English-Chemistry***
- 4. English-Computer Science***
- 5. English-Physics-Maths***

One student can take part in one category.

Participation in this competition will allow you to:

- ✓ test your knowledge with stimulating questions in English, Physics, Mathematics, Chemistry and Computer Science;
- ✓ compare your attainment with students from different universities;
- ✓ stimulate enthusiasm and love for competitions;
- ✓ acquire major strategies for problem solving;
- ✓ develop flexibility in solving problems;
- ✓ strengthen intuition;
- ✓ foster creativity and ingenuity;

- ✓ provide for the satisfaction, joy and thrill of meeting challenges;
- ✓ win certificates.

Language of the Competition is English.

English, Mathematics, Physics, Chemistry and Computer Science Tests will be suggested.

English tests include 4 sections:

1. Listening Comprehension
2. Structure and Written Expression
3. Reading Comprehension
4. Writing an essay

In the section "*Listening Comprehension*" you will hear two pieces of information with ten statements for each one. Then you will read the four possible answers (for each statement) and decide which one would be the best answer to the question. You need to mark your answer.

In the section "*Reading Comprehension*" you will read two passages. Each one is followed by ten questions about it. For the suggested questions you need to choose the one best answer (A), (B), (C), and (D), to each question. You have to answer all of the questions following a passage on the basis of what is stated or implied in that passage.

In the section "*Structure and Written Expression*" questions 1–40 are incomplete sentences. Beneath each sentence you will see four words or phrases, marked (A), (B), (C), and (D). You need to choose the one word or phrase that best completes the sentence.

In the section "*Writing an essay*" you have to write an essay on the base of the suggested situation. **Plagiarism is forbidden.**

Tests on Physics, Mathematics, Chemistry and Computer Science contain 10 exercises each one.

Requirements: it is forbidden to use additional information on such electronic devices as mobile phones, notebooks, etc. during the tests.

Registration: the deadline for enrollment is 31.03.2014, passwords for getting access to the tests will be sent.

Winners: the choice of winners depends on the quantity of scores.

For participation you have to:

- 1) send your Application Form on the **e-mail:** olimpiada_fl@ukr.net (deadline: March 31, 2014);
- 2) participate in the competition 22.04.2014 – 24.04.2014.

The Internet Students Competition is run by **37 committee members from Ukraine and Russia** (National technical university of Ukraine "Kyiv polytechnic institute", Tomsk Polytechnic University, Poltava national technical Yuri Kondratyuk university, Poltava university of economics and trade), State University of Telecommunications.
